cloth scheme is being done by the Auditor and Accounting Officer of the Food Supplies Dept. that officer may in the first instance be consulted regarding the two proposals of the Director of Textiles.

6) In the linked file (Dy no 2485/1368) the question of revising the scales of pay for the staff of the Standard cloth section is under examination. It may also be noted that the staff under reference in this file and in the linked one and the same.

Yes 7) The proposal of the Director of Textiles is that Officials who were deputed to work in the Standard Cloth Section might be allowed to draw the temporary pay they have been drawing in the Standard Cloth Section, in their permanent appointments after S.C. Section Grades to work from 1.7.47.

31/8

8) It will be seen from the list of such Officials sent enclosed with his letter that the officials belong to different departments, such as the police, the G.R Secretariat, Survey, Textile and Technological institute. In some of these cases the temporary pay they are drawing in the S.C. Section is higher than even the maximum the grades they hold permanently in other Departments

NOTE—Contn. Sheet

Besides, the Heads of those Departts have also to be consulted whether the acceptance of the Textile Director's proposal will not adversely hit those who remained and worked in those Departts only content with their own pay. The Officials who worked in S.C. Section have had the benefit of higher emoluments so long as they worked and will work there and it is hardly fair to their Colleagues in their permanent Office if they are preferred to the latter for promotion and for getting advance increments.

3) For these reasons the Textile Director's proposal does not appear to be acceptable. In view of the Director's strong recommendation that the Officials have worked hard and earnestly, it is a point for consideration whether the Director of Food Supplies and Controller of Civil Supplies may be requested to show one preference to these Officials in case there are any suitable vacancies in their Departments.

4) The Fin. Secy may, perhaps, be consulted also.

Sir,

D. No. 965

Sub: Standard Cloth Scheme staff.

I have the honour to invite reference to G.O.No.S.D.1163-74/A. 100-43-2 dated 24-8-1943 and to G.O.No.S.D.C.194/A.83-44-4 dated 14-11-1944 conveying orders of Government in the matter of setting up of the administration of Standard Cloth Scheme in the State. Government Vide G.O.No.S.D.8795-98/A.183-45-2 dated 3-6-1946, have ordered that the staff of the Standard Cloth Scheme may be continued till 30-6-1947 and to close the accounts before 31-3-1947. As directed by Government every effort is being taken to reduce the number of Depots all over the State as and when the stocks get depleted. The Deputy Commissioners have been advised in the matter and a report in this matter will be separately sent.

From the time the Mysore Government participated in the Standard Cloth Scheme of the Government of India the following quantities of standard cloth were indented against respective allotments and relative stocks disposed of;-

Allotment.	Period.	Indented. Yds.	Supplied. Yds.	Disposed. Yds.
(1) III Allotment	May/June 44.	14,57,440	1,81,86,021	1,72,33,878
(2) IV Allotment	Aug.43/Jan.44.	14,86,000		
(3) VI Allotment	Aug.44/Jan.45	75,00,000		
(4) VIII Allotment	Aug.45/Jan.46	43,50,000		

The staff, both ministerial and executive, employed for the administration of the Standard Cloth Scheme may have to be disbanded on and from 1st July 1947, if no avenue is found to re-employ them in any other essential war duration departments. The staff have worked diligently and very hard, working overtime in the preliminary stages of the scheme

2-25

Scheme, and have gained considerable experience. Due to their co-operative effort the Standard Cloth Scheme was quite successful in the State having resulted in a profit of Rs.60,000/- (and this would grow more at the end of the scheme, and with an approximate sum of Rs.4,00,000 in the shape of Equilisation Fund. This fact has been brought to the notice of Government in my letters to Government.

As the staff as denoted in the enclosure deserve recognition for all their willing and enthusiastic work, I recommend that they may be allowed to draw the pay they are drawing in the Standard Cloth Section, in their respective permanent departments on cessation of the Standard Cloth Scheme in the State. I request kind orders of Government in the matter.

10 AUG. 1946

Sir,

Sub: Standard Cloth Scheme -- ministerial and executive staff.

***

10 AUG 1946

Regarding the Standard Cloth Scheme transferred for administrative purposes from the Director of Food Supplies to the Director of Textiles as per G.O.No.SD.194/A.83-44-4 dated 13/14-11-1944 (copy enclosed), I have the honour to invite your reference to G.O.No.SD.1163-74/A.100-43-2 dated 24-8-1943 and to G.O.No.SDC.194/A.83-44-4 dated 14-11-1944 (copies enclosed) conveying orders of Government in the matter of setting up the administration of Standard Cloth Scheme in the State. Government, Vide G.O.No.SD.8795-98/A.183-45-2 dated 3-6-1946 have ordered that the Standard Cloth staff may be continued till 30-6-1947 and to close the accour by 31-3-1947.

Government of India have terminated the standard cloth scheme and except the stock on hand and the arrivals out of the last allotment, it is not likely that further stocks will be allotted.

At a stage when technical knowledge in the matter of indenting of standard cloth with due reference to their qualities and saleability and also involving responsible work of receiving and technical inspection of stocks received from various mills in India and claiming the cost on account of shortages, damages or other weaving defects, etc., was needed, it was deemed necessary to indent upon the services of a technical man, and Mr.B.K.Murthy was appointed as the Secretary of the Standard Cloth Advisory Committee. Later when Mr.B.K.Murthy was appointed the Director of Textiles, he was appointed as the Chairman of the Standard Cloth Advisory Committee in place of the Director of Food Supplies who was also the Chairman of the Committee.

The Standard Cloth Scheme in the State is in the winding up stage on account of the closure of the scheme by the Government of India. Th

The ministerial and technical staff who have been employed in the administration of Standard Cloth may have to be disbanded as the stocks get depleted. The staff have put in hard work and gained considerable experience and it would be in the interests of public service, if they are absorbed on a permanent basis. The technical staff of Textile Inspectors and Assistant Textile Inspectors and a few of the ministerial staff may be absorbed in the Department of Textiles. Kind perusal of the enclosed statement of officials will show that some of the staff have their lien in the Textile Department. History of the officials who worked in the Textile Department is also specified to approve of their claim for absorption in the Department of Textiles or Technological Institute on a permanent basis in the existing vacancies.

While commending the services rendered by the staff, I recommend that the staff, both ministerial and executive, be absorbed in the Textile Department and request early orders of Government in the matter.

I have the honour to be,
Sir,
Your most obedient servant,
